The impact of your donation

Because of reduced funding, we've been unable to provide our services for free and charge a tuition rate to attend DCP. This limits the number of children we serve in our community, however, with your help, we can provide a quality early education for at-risk children. Visit dentoncps.org and click 'donate'.

- \$30 provides one week of education for a Tu & Th low-income student
- \$45 provides one week of education for a MWF low-income student
- \$50 provides one week of transportation for a low-income student
- \$75 provides parenting education for one month for all parents
- \$100 provides a full week of education for a student
- \$300 provides an outside learning field trip experience for all students

93% of Denton Christian Preschool students are from low-income households who reside in the Denton community

at-risk

factors include a family's income level, a single-parent household, a parent's level of education, language barriers, abuse or violence in a household, the age of the parent(s) when they had their child, incarcerated parent(s), or the child to parent ratio in a household

success story**

Our children

About

Denton Christian Preschool, or DCP, is a United Way agency founded in 1970 by individuals from 17 churches in Denton who believed the first few years of a child's life are the most crucial years for development. Dedicated professionals and volunteers teach, feed, love and nurture about 50 children each school year. DCP provides opportunities for each child to attain his or her full potential by increasing access to early education. Our goal is to break the cycle of poverty and achievement gap that affects low-income children in Denton and improve a child's overall life.

Our Mission

Denton Christian Preschool's mission is to prepare at-risk preschool children for success in school and life.

Our Program

DCP's program is made up of five components: Developmentally appropriate learning activities in a classroom setting; transportation to and from school; daily nutritious meals and snacks; medical, dental, speech, and other diagnostic screenings and referrals; and monthly parenting events.

Our Volunteers

How YOU can get involved

DCP is fortunate to receive the generosity of United Way of Denton County, the City of Denton, Denton Benefit League, Denton Rotary Club, churches, community organizations and individuals. As a nonprofit organization, funding comes from individual donations and funding efforts. We're always accepting help whether it be in-kind or monetary donations, resources or talents, and volunteers. If you would like to get involved, visit dentoncps.org/get-involved, contact us at **(940)383-3332** or email us at dentoncps@gmail.com.

Volunteers: We're always in need of classroom aides, bus riders, kitchen helpers, and fundraiser helpers throughout the year. Whether you're available an hour a day or occasionally, we appreciate the time you take to volunteer with us! Our volunteer opportunities are perfect for individuals, large groups and observation students.

Donors and Donations: We accept in-kind and monetary donations, school supplies and daily essential items. Your support directly benefits our DCP children. Our teachers, staff and volunteers depend on the community for the success and continuation of our mission.
